Dear, Dr Alison Fox-Robichaud,

According to the last meeting of the Iberian Pan American Federation held in Honolulu, the board of directors decided to accept the incorporation of the Canadian Society of Critical Medicine, to the list of countries that make up our Federation. Acceptance, for statutory matters, is ad referendum of the next ordinary meeting, to be held in the next year.

Thank you for your interest in working with the rest of the countries that make up the Ibero-American Federation.
